

10 YEARS IN 10 MINUTES

JWT Rubber & Plastic Co., Ltd

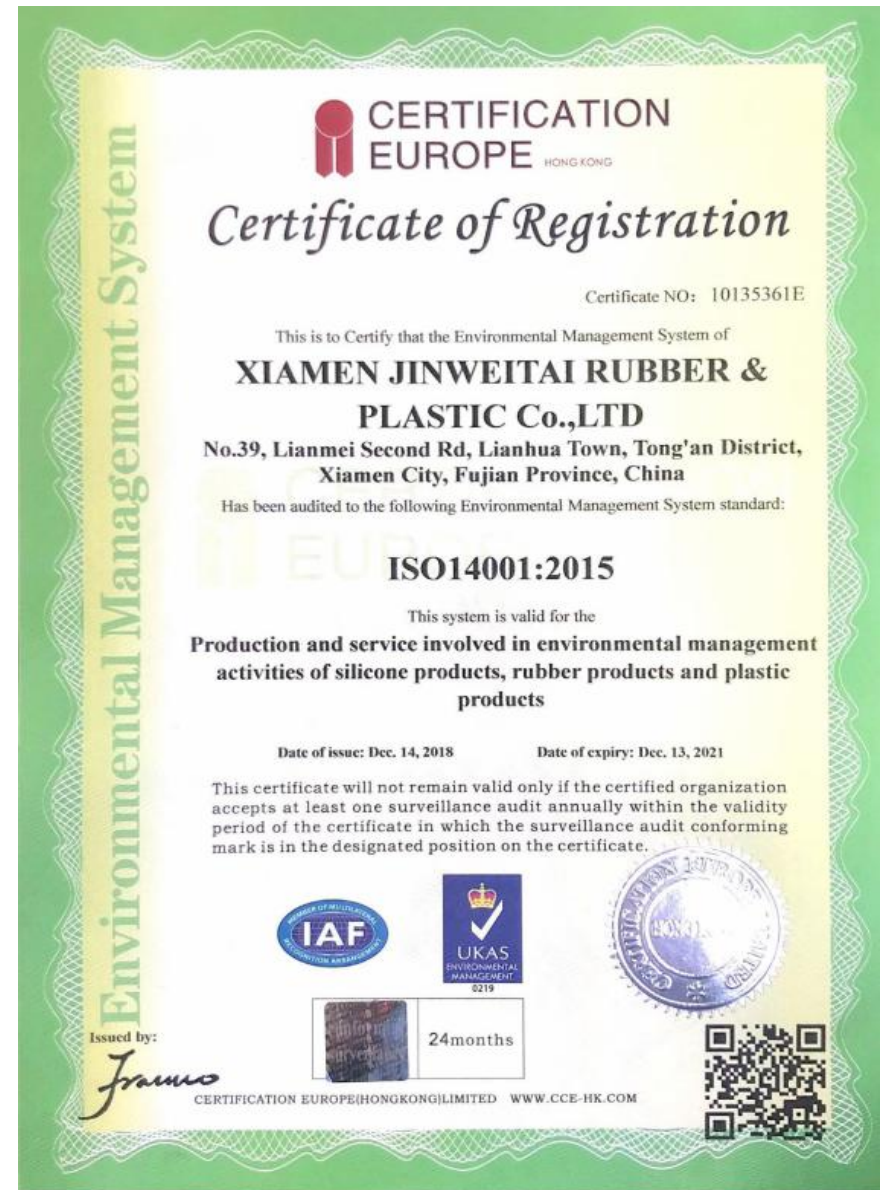

Specializing in Precision Rubber and Plastic Products

Part 1 About Us

Founded in **2010**,
Total investment is **10** million (RMB),
Plant area of **6500** square meters,
208 employees, still going on...

ISO 9001-2015 & ISO 14001-2015

Prodcuts Certificate

Strict Quality Control

From Start to End

Cooperation Brands

SONY Yealink logitech SIEMENS

JABIL FOXCONN HARMAN

Gigaset Alibaba.com SAMSUNG Panasonic

Hope you will be one of our cooperation brands in the near future!

Part Two

Workshop

Machine Show

Silicone Rubber Mixing Workshop

for different requests of Hardness & Color

Vulcanization Molding Workshop

18 sets vulcanization molding machine (200-300T)

6 sets can produce Liquid Silicone Products

LSR Molding Workshop

- ✓ Double Tooling
- ✓ Zero-Pollution
- ✓ Precision 0.05mm
- ✓ High-Volume Production
- ✓ Quick cycle time
- ✓ Low Defect Rate
- ✓ Cost-effective
- ✓ Higher Automation

Plastic Injection Molding Workshop

- ✓ 10 sets Injection molding machine
- ✓ Automatic feeding system & Mechanical arm
- ✓ Machine model from 90T to 330T.

Automatic Spraying Production line

- ✓ Clean Room
- ✓ 18M IR Baking Line
- ✓ 2 Sets Automatic & Semi-Automatic Line

Silk / Pad Printing Workshop

- ✓ Professional equipment
- ✓ Quality check one by one

Laser Etching Workshop

- ✓ 5 Sets
- ✓ Self-design Program & Jigs

Production Process

Depends on different products

Material Mixing

Vulcanization molding

Injection molding

Spraying printing

Silk printing

Laser etching

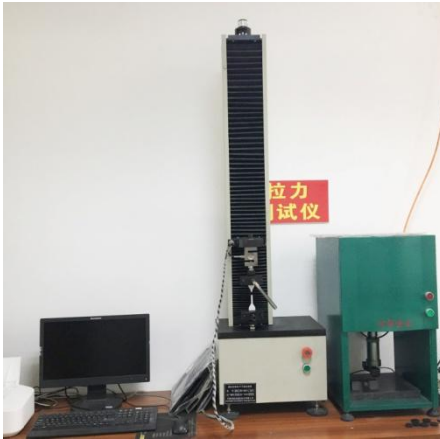

Trimming & Peeling

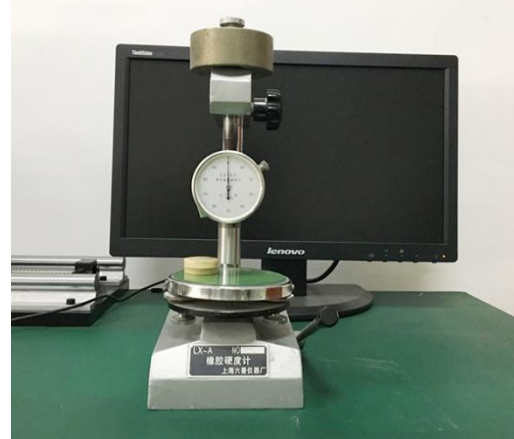

FQC

Testing Instrument

Tensile testing machine

Hardness instrument

2.5D measuring instrument

Force Curve instrument

RCA tape friction tester

F0 Test instrument

Testing Lab

Part 3 Service

Proposals

- Product design proposal
- Product commercialization
- Product management

Manufacturing

- Multi-process manufacturing plant
- Product and Process Audit
- Vulcanization Molding
- Injection
- Automatic Spraying
- laser Etching
- Printing
- Assembly

R&D

- Design based on your idea
- Top ranked product upgrading

One-Stop OEM / ODM Solutions

Quality Assurance

- Product reliability insurance
- In-process quality control
- Outgoing quality control
- ISO9001 & ISO14001 certified
- Multiple quality control links

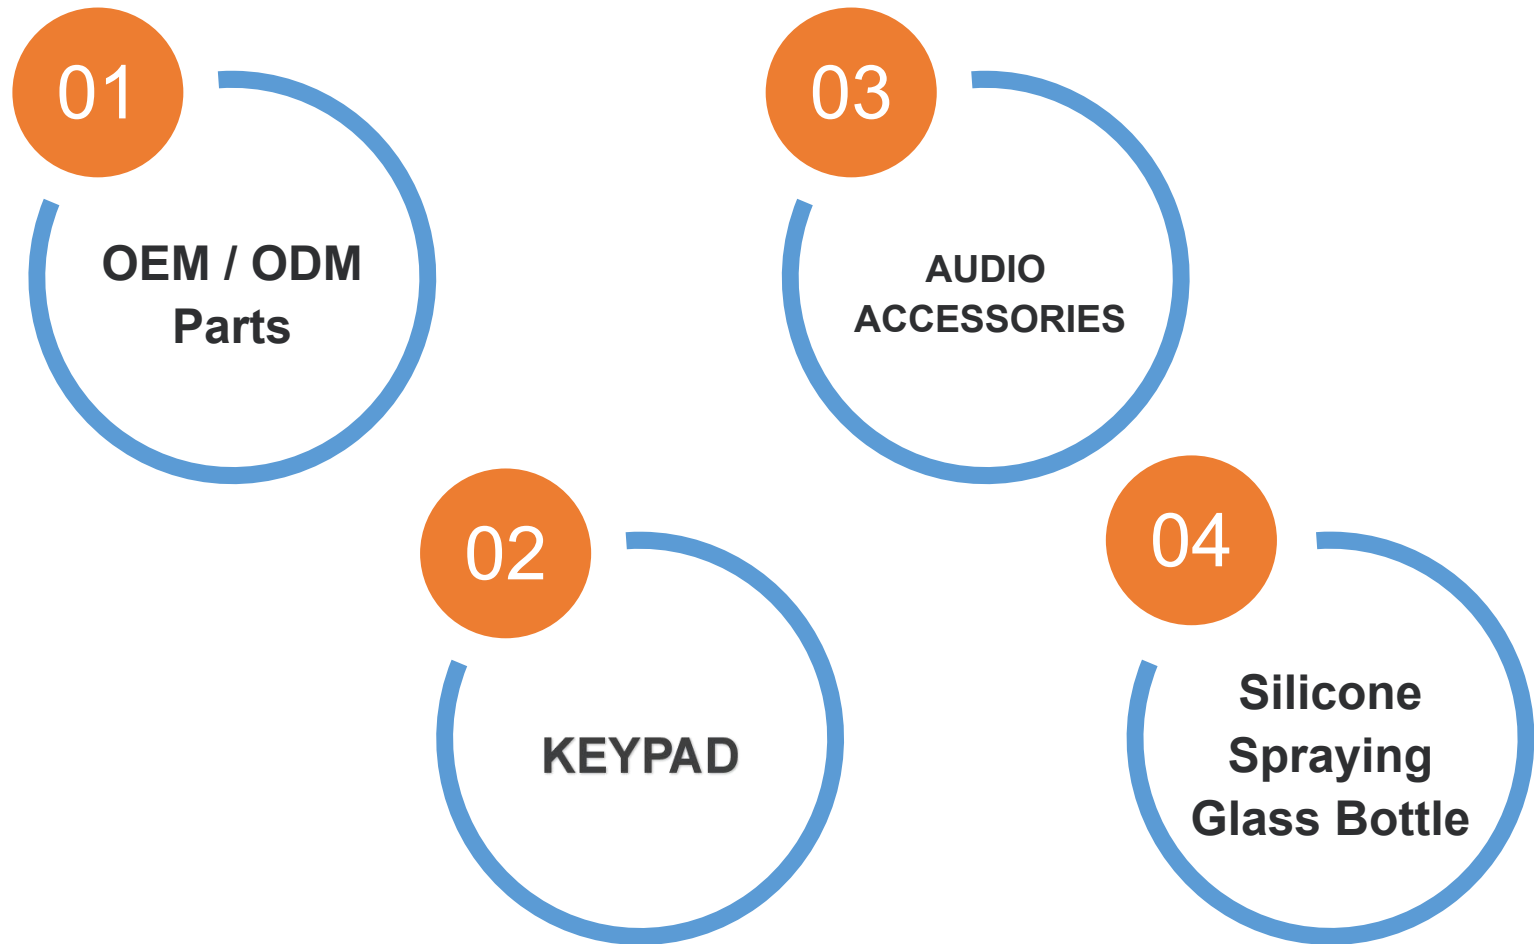

Customization

- Confidential Agreement
- Custom with 3d artwork
- Custom with your sample
- Custom package
- Custom LOGO

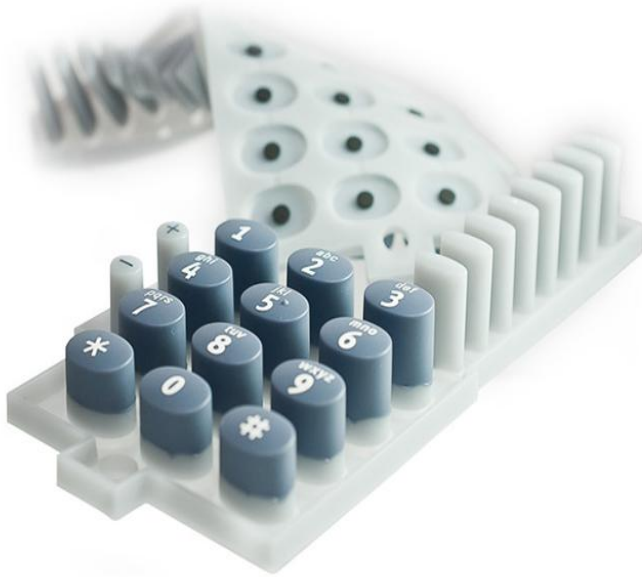

Service

- Certification Assisting
- Free sample
- Packing Customization
- DDP & DDU shipping service
- Manufacturing Visualization

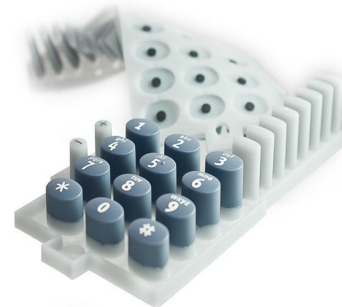

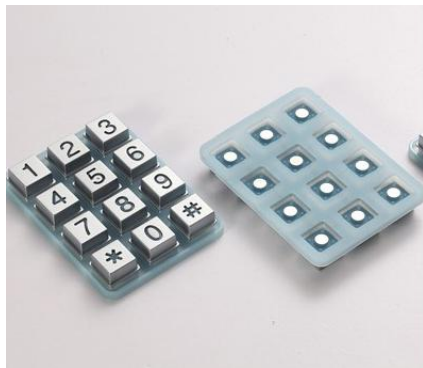

Part 4 Main Products

Silicone / P+R / Metal Dome Keypad

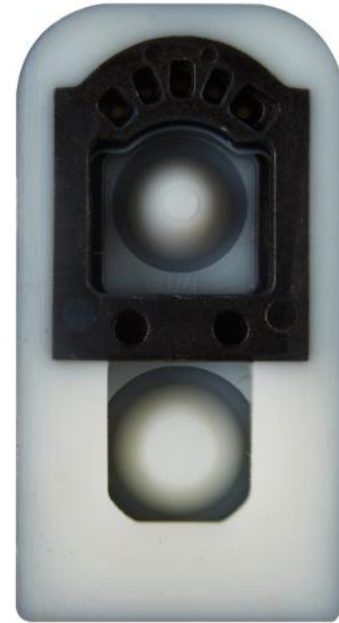

More Keypads

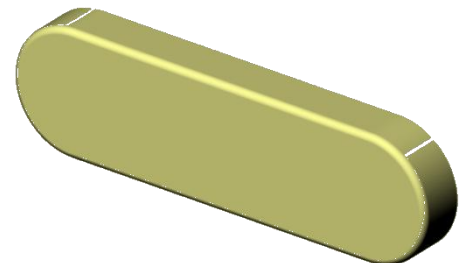

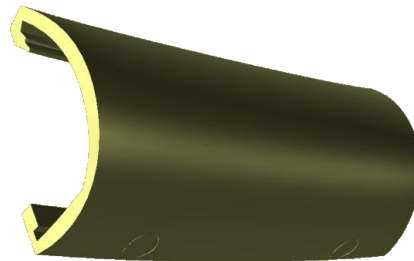

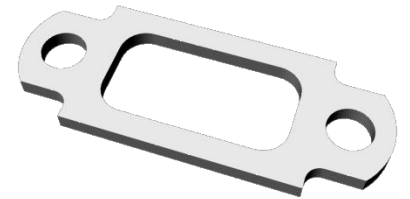

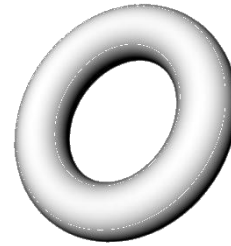

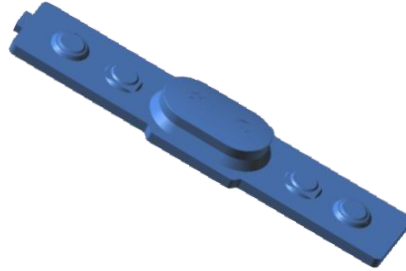

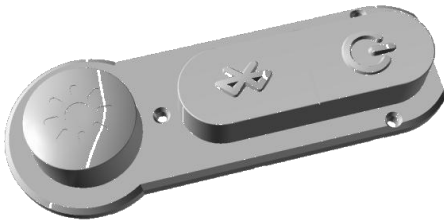

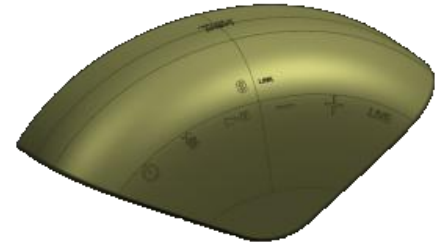

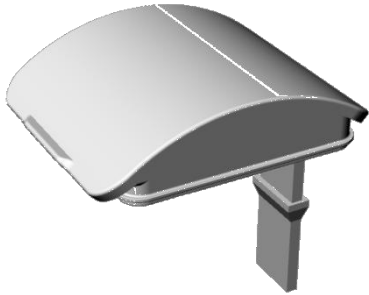

Passive Radiator

Audio Accessories

More Speaker Parts

Gasket & Molded Rubber Parts

Custom Plastic Products

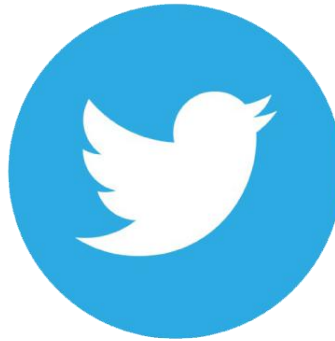

Silicone Spraying Glass Bottle

There're a lot more, we can produce any model depends on client's requirement
